

Läkarkarriär.se 2022

*The most comprehensive
job site for physicians in Sweden.*

The image displays a collage of the Läkartidningen website interface. At the top, the website header includes navigation links like 'TJÄNSTLISTAN', 'PLACERINGAR I HÄR', and 'NYTT OM NAMN'. The main content area features a 'Tjänstelistan' section with the headline 'Sveriges viktigaste kanal för lediga läkartjänster!' and 'Just nu 167 lediga tjänster'. Below this is a grid of medical specialties with counts, such as 'Hörsel- och balansrubbningar (0)', 'Infektionssjukdomar (4)', and 'Neurospecialiteter (2)'. A yellow circular badge on the right states 'More than 100 vacant posts every week'. In the foreground, a smartphone shows the mobile version of the website, and a desktop browser window displays the 'Läkarkarriär' section with a 'Jobbmejl' subscription offer and a table of 'Veckans Jobb i fokus'.
